265	The Best Hand Fluter (rocker) GW Whitfield; Syracuse NY Pat App'd For (chromed)
266	The Globe Hand Fluter (rocker); R. Young Geneva Ohio Patd May 29; 1888
267	Eagle (raised) Machine Fluter; 3-1/4in rolls; orig. paint; gold pin striping; ornate decal; Pat. Nov. 2; 1875 American Machine Co. This is the little one & it's in excellent cond.
268	Eagle (gold stencil) Machine Fluter; 5-1/8in rolls; orig. paint; gold pin striping; floral decal
269	American Machine Fluter; 5-3/4in rolls; Patent Applied For; orig. paint; gold pin striping; ornate decal
270	American Machine Fluter ;4-3/4in rolls; fine flutes; multiple patents; orig. paint; gold pin striping; ornate decal
271	Princess Machine Fluter, clamp-on, thick const., 5 1/4 " rolls. Lower roll is smaller & cannot be heated w/slug
272	Simplex Trivet on slate base
273	Machine Fluter; clamp-on; thick const.; 5-3/8in rolls
274	Machine Fluter; clamp-on (Adams); orig. green paint; 4-1/2in rolls; w/slugs; massive const. w/wooden tool to be used as a foot pedal; has lever & the strap; to that closes the rollers & control the pressure. Note: another neat; unique Adams patent feature.
275	Machine Fluter; clamp-on; Companion; 5in rolls; orig. paint & gold stenciling
276	Machine Fluter; clamp-on; chunky 4-1/2in rolls; orig. paint & a touches of pin striping
277	Machine Fluter; clamp-on; 6in rolls; Mrs. Cole's Pat. March 12; 1866; orig. red paint w/ gold stencil
278	Machine Fluter; clamp-on; all brass; chunky 4 5/8inrolls; massive const.
279	Hand Fluter (rocker); The Best; base: H Foote Mfg. Syracuse NY
280	Hand Fluter (roller); American Machine; hinged base w/slug; orig. paint & gold pin striping; 7in x 4in
281	Hand Fluter (roller) North Bros. orig. paint & pin striping; 5 5/8in x 3 5/8in
282	Hand Fluter (roller); American Machine; hinged base w/slug; orig. paint & gold pin striping; 5 5/8in x 3-3/4in
283	Hand Fluter (roller) North Bros; hinged base w/slug; orig. paint & gold pin striping;7in x 3 7/8in
284	Hand Fluter (rocker); unmarked.
285	Hand Fluter (rocker); The Globe; R. Young Geneva Ohio; Patd; chromed
286	Hand Fluter (rocker); The Best; unmarked base
287	Hand Fluter (roller); unmarked.
288	Hand Fluter (rocker); very chunky; heavy cast; base: Heat This Pat'd 1866
289	Combination Fluter (Charcoal); The Challenge Base Burner; Patented Nov. 2; 01 ; fluter attached to side w/separate rocker
290	Revolving Iron/combination fluter; Gasoline; Pat. Oct. 3; 1882; brass front latch
291	The Globe Hand Fluter (rocker); R. Young & Gordon; Geneva; Ohio; Pat. Apl'd For

292	The Gem Hand Fluter (rocker)
293	Machine Fluter; unmarked. unusual slide tension adjs.
294	Machine Fluter; unmarked. front screw adjs. tension by band in base; unusual
295	The Original Knox Machine Fluter w/picture of Mrs. Knox in oval; 6-1/4in x 4-1/4in base; 4 1/8in rolls; w/clamp; excellent cond.; orig. paint; gold pin striping; great patina
296	Crown Machine Fluter Pat. Nov. 2; 1872; 6in rolls; fine flutes
297	Machine Fluter; single pedestal containing tension spring; very industrial & unusual; has brass wingnuts; 4-1/2in rolls
298	Knox Improved Mrs. Susan B Knox Machine Fluter; Lowerre & Tucker 99; orig. paint; gold stenciling; pin striping; exc. finish
299	Fluting Tongs; 4 pr.
300	Hand Fluter (roller); 4 pc. (w/slug); unmarked
300A	Hand Fluter (roller); 5 pc. (2 slugs); patented base has legs
301	Improved Eclipse XX Machine Fluter; Pat. Nov. 2; 1875; July 3; 1877; Reissued Mar. 23; 1880; American Machine Co. Wonderful orig. paint; stenciling & deal; 6in rolls w/slugs
302	XX Eclipse XX Machine Fluter Pat. Nov. 2; 1875; July 3; 1877; Reissued Mar. 23; 1880; American Machine Co. 6in rolls; great orig. paint; stenciling ; has decal
303	Colby Machine Fluter Mfg. by American Machine Co. Pat. Nov. 2; 1875; July 3; 1877; Reissued Mar. 23; 1880; some orig. paint; stenciling; 6in rolls;
304	Crown Machine Fluter by American Machine Co. Pat. Nov. 2; 1875; July 3; 1877; Reissued Mar. 23; 1880; wonderful cond. Orig. paint; stenciling w/crown decal;6in rolls
305	Erie Machine Fluterby American Machine Co. Pat. Nov. 2; 1875; July 3; 1877; Reissued Mar. 23; 1880; fine flutes; 6in rolls; some orig. paint; stenciling; decal
306	The Original Knox Machine Fluter by American Machine Co.; Pat. July 3; 1877 Reissue April 26; 1878; 6in rolls; orig. pain; stenciling & picture in oval of Mrs. Knox
307	Peerless Machine Fluter; lever at front for pressure release; 4in roll; some orig. paint; stenciled name
308	Crown Machine Fluter by American Machine Co. Pat. Nov. 2; 1875; July 3; 1877; Reissued Mar. 23; 1880; 6in rolls; orig. paint; stenciling; crown decal w/orig. wooden box; lg. crown stencil
309	Mrs. Susan B Knox Machine Fluter; Pat. Nov. 20; 1866; orig. black paint w/ good stenciling; 4in rolls; base is 6-1/2in x 6-1/2in
310	Crown Machine Fluter; 6in rolls; by American Machine Co. Philadelphia PA (raised on top) Patent Applied For (gold stencil); orig. paint; crown decal; pin striping. Note: This is one of the very first production runs of Crown fluters. The lever that clamps; only goes up and down; does not rotate as later models do. Manufactured here before the confirmation of the patent date could be cast into the body; as found on later models.
311	Star (w/raised star); Pat. Oct. 19; 1875; American Machine Co.6in rolls; orig. paint; pin striping. Note: This is the first model; no top frame and clamp only goes up and down.
312	Penn Machine Fluter; 5in rolls; Pat. Nov. 2; 1875; July 3; 1877; Reissued Mar. 23; 1880;orig. paint; pin striping; decal
313	Combination Fluter/Smoothing Iron inHome Glossing & Fluting Ironin Patent; Pittsburgh P4; (fluting attachment Pat.'d March 4); by John Hewitt; clip on fluter; w/wood fluting board
314	The Charmer; Hand Fluter (rocker); 2 pc.; bottom reads: Heat This 1879
315	H. Saurerbier & Son Manuftrs; Machine Fluter; Mrs. Susan R Knox; Patented Nov. 20; 1866; Newark NJ; orig. black paint w/gold stenciling
316	Welcome (raised) Machine Fluter; Mfg. by American Machine Co. Philadelphia; PA; Pat. Nov. 2; 1875; reissued Marc. 23; 1880; orig. paint w/red & gold pin striping; decal
317	Combination Fluter/Sad Iron; Pat'd Aug. 2; 70 (Myron Knapp); 6 7/8in; front closure
318	Indicator Hand Fluter (roller); w/2 bases: 1) Pat. June 4; 1878; Ilion; NY 2) Man'fd by Pat. Sad Iron Co. Ilion; NY
319	Royal Machine Fluter; Pat. March 14; 1876; orig. paint; decals; red pin stiping
320	Combination Fluter/Polisher; wire clip closure; all chrome
321	Combination Fluter/Sad Iron; Pat'd Aug. 2; 70 (Myron Knapp); 5 7/8in; front closure
322	Little Giant Combination Fluter/Sad Iron; 5 flutes on upturned back
323	Combination Fluter/Sad Iron; Pat'd Aug. 2; 70 (Myron Knapp); brass fluting plates; 5 5/8in; center closure
324	Star (star); both raised; Machine Fluter; Pat. Oct. 19; 1875; orig. paint; yellow gold & red pin striping; American Machine Co. Philadelphia; PA. Note: This is the second model; the improved one where the clamp would rotate as well.

325	Royal 80 Machine Fluter; Pat. Mar. 14; 78; Perin & Gaff Mfg. Co. Cin. O; orig. paint; flor & other decals; gold trim w/ red pin striping; w/orig. wooden box; orig. slugs & attachment
326	Royal 77 Machine Fluter; Pat. Mar. 14; 78; Perin & Gaff Mfg. Co. Cin. O
327	The Celebrated Improved Knox Machine Fluter; H. Sauerbier & Sons; No. 15; orig. paint & pin striping w/orig. box
328	J. Lincens & Fils Machine Fluter; natural gas; Constructeurs Tournai (Belgique) on brass tag; has wooden base
328A	Dudley Machine Fluter; Pat'd Nov. 14; 1765; orig. paint; red pin striping & floral decals
329	Stumpf Hand Fluter (roller); 3 pc. St. Joe Mo; Pat April 30; 1878 (on base)
329A	Hand Fluter (roller) crosswise T handle ; chromed; scalloped 2 pc. base w/slug
330	The Erie Fluter (rocker) by Griswold Mfg. Co.; Phila. PA w/crossed leaves deco. Note: Came out of a museum. Shows in Berney book. From Carol Walker Collection.
330A	Elgin Fluter (rocker) Pat Appld For; rocker has brass fluting plate; base has riveted brass flutes onto ornate base; fluted heater slides out of back
331	Hand Fluter (roller) w/lg. thick fluter; 3 pc.; crosswise; T handle
331A	Henry A Doty Hand Fluter; w/2 fluted heaters w/slide out of back; Janesville; Wis. Pat'd June 18; 1872; lg. thick brass flutes; brass fluter cover on base
332	Sundry Mfg. Co. Hand Fluter (roller) Buffalo NY Pat. App For; 3 pc. w/slug (high arched handle)
332A	CS Osborne & Co. Machine Fluter; patents on heater caps; lever type pressure; Pat. July 66; Nov. 68
333	Hand Fluter (roller); lg. thick fluter crosswise roller; handle; 3 pc. w/slug
333A	Goffer Iron; 5in barrel; 6in tall; Round Stand
334	The Erie Fluter; (rocker); detach. handle; Griswold Mfg. Co.; w/crossed leaves; pn 297
334A	Goffer Iron; 4-3/4in barrel; 3 leg brass stand
335	Dudley Machine Fluter Pat. Nov. 14; 1876; screw twist type pressure
335A	Goffer Iron; solid brass; beautiful crafted; stubby brass slug rod
336	Hand Fluter; (roller); 7-1/2in l.x 4-1/2in w; oversized; fancy casting on handle
336A	Goffer Iron; Kenrick; very small; 2-3/4in barrel; 2-3/8in dia. base
337	Hand Fluter; (roller); has high arched handle; 3 pc. heater : Pat. Apd For; base is trivet
337A	Elgin Fluter (roller) Pat'd June 18; 1872; roller has brass fluting plate; base has riveted brass flutes onto ornate base; fluted heater slides out of back
338	Hand Fluter (roller); Man'fd by Pat. Sad Iron Co. Ilion; NY (This is the Indicator Fluter)
339	Machine Fluter; English; very fine flutes; 4-1/2in rolls; arched; window like cast iron base supports; brass screw type pressure; celluloid handle on brass arm; mounted on wooden board
340	Imperial Fluter (Machine); Manuf.d & Warranted by T.F. M.C. Pat. Applied For; some orig. paint & pin striping; top lever & brass screw pressure adj.; 6 1/8in rolls
341	Hand Fluter (roller); T handle 3 pc. (no slug); base: Pat. Appl For
342	Swan Iron; 4-7/8in; all cast
343	Machine Fluter; English; orig. green paint; brass rolls; 3-1/2in fine flutes; brass arm & fittings
344	Hand Fluter (rocker); brass top & base plates; 5-3/8in l. case base w/legs; raised heater holder; curved rocker. Brass has Pat. Appl. For. ; small pc. of cast iron missing
345	Crown Plaiter; North Bros. Mfg. Co. Philada
346	Hand Fluter (rocker); 3 pc. w/slug; The Sensible Fluter
347	Combination Fluter/Sad Iron; Keystone logo 5; 'Pat. Sep. 4; 88' on handle; 'Patented' on clamp of fluter plate; 3 1/2in 2-1/2in which clamps on at rear w/key; very unique attachment; has metal covered fluting board.
348	Hand Fluter (roller); T handle crosswise roller (pot metal) w/3 fluted heaters (1 is brass covered w/patented on brass plates; & mfg. name on top fluter plate.; illegible; C. Johnsons ?)
349	Hand Fluter (roller) chunky roller; T handle; 3 pc. w/slug; chromed
350	The Gem Machine Fluter; tripod legs; center standard; swing cover over heater; 5in rollers w/slugs; (by Manville). All orig. paint; stencils; excellent cond. Super Rare Piece.
351	The Knox Imperial Machine Fluter; 1878 (raised) w/fruit decal in oval; orig. paint; gold stenciling w/tongs
352	Combination Revolving Fluter/Sad Iron; all chrome; stamped Mann's Pat. on rear; flutes cast into body
353	Manville's Patent Feb. 23; 1869 Machine Fluter; orig. black paint; w/gold pin striping; white & green accents; pyramid

	shape
354	Combination Revolving Fluter/Sad Iron; all chrome (John Hewitt style handle); 2 sets of rollers w/6 grooves; patent on rear & on body
355	Hand Fluter (roller); T handle crosswise roller (pot metal) w/2 fluted heaters (w/Johnsons w/patent date on handle; C J _ _ _ sons Pat. on top fluter plate. 3 pcs. w/fluted heater; base has legs.
356	Small Wooden Roller Fluter w/wooden block fluter base. Roller is 6-1/2in long; base is 3 5/8in x 3 5/8in; probably Dutch
357	Fluter Press; wooden; hinged at back; 5-1/2in x 3-3/4in
358	Geneva Hand Fluter Improved; brass covered top & base plate; hinged base (at side) w/ 'Heater'; Pat;d Augus 21; 1866
359	Hand Fluter (roller); Norton's Imp'd Fluter (mrkd stand) Norton's on base; brass covered fluter plate; (pot metal) crosswise roller 3 pcs w/heater
360	Hand Fluter (rocker); unusual concave/convex shape.
361	Hand Fluter (rocker); Geneva Hand Fluter; brass covered base plate 'Heat This-Pat'd 1866'
362	Howell Wave Fluter; (rocker); Geneva; Ill on handle; brass covered top & base plates; 'Pat'd Aug' 21 1866 Heat This' on base
363	Hand Fluter (rocker); Good Luck w/horseshoe; arched base; DC Place & LL Brill; Patent Applied For; overall roughness in casting both pieces.
364	Combination Iron; brass fluter plate riveted on odd top; brass plate on board
365	The Gem; Pat. Applied For; all cast iron fluter; 2 pc. 9-3/4in x 4in base; fluter: 5-1/2in x 3in; slanted front.
366	Hand Fluter (roller); 2 variations of Pat'd April 23; 1878. 1) crosswise roller; straight handle; larger flutes 2) curved handle straight roller. Both handles. work as lifters
367	Combination Revolving Box Iron; heated w/slug; lever on rear to unlatch; Pat. 1876 (raised on fluter side); all chrome; wood handle
368	Combination Fluter/Sad Iron; Streeter's Sensible 7; Pat'd Sep. 19; 76; 5 pc. set; NRS Groton NY; base flute plate lifts out; rocker plate clips onto handle (Apt. April 23; 1878)
369	Hand Fluter (roller); 2 pc. w/heater & lifter; thick roller; chromed; crosswise T handle; mrkd 1880; hinged at back base; Shepard Hardware Co. Pat'd Nov. 12; Dec 7; 1878; rvd Jan18; 1880 Buffalo NY
370	Little Hand Held Fluter; scissors style w/wing nut; 1-1/4in rolls; chromed
371	Miniature Rocker Fluter; 1-7/8in; all cast; great patina; 2 pc.
372	Toy Geneva Fluter Pat'd 1866; 3-1/2in
373	Diamond Machine Fluter; orig. red paint; black pin striping; W. Creamer and Son; New York; 5in rolls
374	Champion Machine Fluter; orig. black paint; lots of gold stenciling; red pin striping; Manf'd by Empire City Machine Co. Pat. Apd For; Satisfaction Guaranteed
375	H. Sauerbrier & Sons Manufacturers; Newark NJ; Mrs. Susan R Knox; orig. blue & black; w/gold stenciling; w/slugs
376	Champion Machine Fluter; orig. black paint; lots of gold stenciling; red pin striping; Keller & Olmesdahl; MFS; Pat. June 5; 1877
377	Combination Box Iron, Pat. Appl. For (like the LF Deans), top lifts off, front latch, w/slug & trivet, fluter plate w/separate brass roller
378	Combination Revolving Iron, J Hewitt, Pat'd Mar. 25, 1875
379	Tin Plaiter; 2 pc.
380	Hand Fluter (roller); flat tin handle; base: Pat'd Oct. 3; 1876
381	Hand Fluter (roller); 'Pat. Appl. For 1' incised on base; 3 pc. w/slug; offset-1/2 twist handle
382	Hand Fluter (roller) American Machine Co. Phil. PA; hinged at back base; orig. paint; gold & red pin striping; thick T-handle roller; 2 pc. w/slug
383	Hand Fluter (roller); 'Pat. Appl. For' incised on base; 3 pc. w/slug; offset-1/2 twist handle
384	Hand Fluter (rocker); The Lady's Friend 1875 (all raised); 2 pc.
385	The Banner Machine Fluter Maxant B & S Co. Chicago; belt driven or hand crank; 7 5/8in rolls
386	Hand Fluter; unmarked; very heavy construction ; 6in x 4-1/4in
387	Combination Fluter/Polisher 'Glossing & Fluting Iron Patent'; w/ 2 detachable fluter plate & separate flute base
388	Combination; Magic No. 1; front lever w/slug
389	Combination Fluter/Sad Iron; F Myers 6 Pat. March 1871; brass fluting plates; sliding plate lock

390	Fluter Press; French; Le Rapid VB *1* BSCDG; solid cast; rolled grip flat metal attached handle
391	Majestic Combination Revolving Fluter/Sad Iron. Pat by Horace P Carver; Racine; Wisc. ; four position handle for fluting; polishing; smoothing; w/slug & fluter base
392	Hand Fluter (rocker); brass top & base plates; 5 3/8in l. case base w/legs; raised heater holder; curved rocker. Brass has 'Pat. Appl. For' w/extra heater
393	Combination Fluter/Sad Iron: NR Streeter's Magic Fluter & Polisher; Pat. Sept. 18; 1876 w/slug; trivet base holds fluter base & heater. Has separate hand held roller fluter; comes w/extra heater.
394	Crown Machine Fluter; North Bros. Mfg. Co. Phila. PA USA; Made in USA; electric belt driven or hand crank; orig. green paint w/gold pin striping; crown decal
395	Combination Fluter/Sad Iron: NR Streeter's Magic Fluter & Polisher; Pat. Sept. 18; 1876 w/slug. Base hinged to hold slug. Handle clamps to base to use as polisher. Has separate hand held double handle roller fluter (quite rare to get the entire set together)
396	Hyatt's Patent 1870 Combination Fluter/Sad Iron. Charles Hyatt; Buffalo NY; Pat. of Aug. 9; 1870. (Takes a rocker fluter attachment). Iron lays on side to use fluter. Very rare piece.
397	Mrs. Cole's Unriveld Fluting Machine (Henrietta Cole June 12; 1866 New York City patent); orig. red paint w/gold stenciling. Counter weight for pressure
398	Machine Fluter; Perin & Gaff Mf'G Co. Cin. O; Mrs. Susan R Knox Patented Nov. 20;'66; some orig. paint; decals are very worn
398A	Machine Fluter; Perin & Gaff Mf'G Co. Cin. O; Mrs. Susan R Knox Patented Nov. 20;'66; orig. paint; floral decals intact; finish is not glossy
399	Machine Fluter; decal reads: The James Smart Mfg. Co. Limited; Brockville; Canada. Orig. paint; gold pin striping
400	Machine Fluter; Crown Jewel; Manufactured By Lowerre & Tucker; Newark NY; Nov. 23; 1869; orig. gold stenciling; screw cap reads 3416
401	Machine Fluter; Mrs. Susan B Knox; Patented Nov. 20; 1866; mfg. by CS Osborne & Co; Newark NJ; orig. paint; some gold & pin striping
402	Machine Fluter; C Vigneron; Little Fairy; NJ; all chromed; electric; has cross in oval.
403	Machine Fluter; Mrs. Susan B Knox Patent Nov. 20; 1866; Every Lady Should Have One; (on base) stenciled lettering; oval in center for picture; black w/gold pin striping; shows wear
404	Machine Fluter; green w/gold striping & gold 8 point star in center; 7-1/4 in x 7-1/4in base; on little ball feet; 5 5/8in rolls
405	Machine Fluter; English; 9-1/2in tall; ; green iron frame mounted on thick board; large chunky all brass 4-1/4in fluter rolls; brass handle pressure plate & screw; round brass tag on end: GW Ingram; Birmingham
406	Machine Fluter, Thomas Levitt & Co., Boston Mass, SG Cabell's Ills Patent July 17, 1866 (brass name plate covers over heaters), w/slugs, chunky, 4 3/8" rolls, screw pressure wheel, iron frame
407	Machine Fluter; unusual curved tray w/fruit decal; name stenciled in 'Old English' letters; has orig. paint w/red pin striping; 5 7/8in rolls; fairly chunky. 6-1/2in x 8-1/2in rounded edge base; 6in tall. Note: Rolls are side by side (Lower & Tucker)
408	Machine Fluter; Crown; Pat. Nov. 2; 1875; July 3; 1877; reissued Mar. 23; 1890; North Bros. Philadelphia; PA; fine flutes; all orig. paint; gold pin striping & decoration
409	Machine Fluter; mfg. by Bennett Johnson & Co. New York (brass oval tag); counterweight for pressure; some orig. red paint w/gold stenciling; about 1870; 4-1/2in chunky rolls & extra counterweight.
410	Machine Fluter; inAmericanin; very unusual; small; 7in tall; 7-1/4in dia. hexagon base w/orig. pain; red pin striping & gold stenciling. Lever opens the rollers up.
411	Machine Fluter; Magic Fluter; GA Walton; Toronto (raised letters); orig. paint; gold stenciling
412	Machine Fluter; Mrs. Susan R Knox; (name under oval in center where picture should be); Every Lady Should Have One (gold stenciled on top of fluter frame); orig. paint w/gold pin striping.
413	Machine Fluter; Susan R Knox XX.99. Mfg. Under 'list of 5 patents from 1870 to 1871' Mfg. by Lowrerre & Tucker; Newark NJ. XX The Best in the World; orig. paint; w/gold stenciled lettering & trim; red pin striping
414	Machine Fluter; Universal No. 2; M Greenwood; Cincinnati; O. Has 2 decals of Victorian ladies; some orig. paint w/ most of the orig. floral decals remaining. Cap slug covers; 5-3/4in rolls.
415	Machine Fluter (Eureka; Patented Feb. 7th 1871; July 25th 1871). Some orig. paint. 4-3/4in brass rolls & tension screws. 8in dia. hexagon base.
416	Machine Fluter ; 4-1/2in brass rolls; 7-1/2in sq. base; some floral decal & pin striping remains. 1871 patent.
417	Combination Charcoal Iron/Fluter; detach. handle fluter & clip on fluter on side; H. S. Pease; Cincinnati; O
418	Combination Charcoal Iron/Fluter; detach. handle fluter (has patent) & clip on fluter on side; #2

419	Machine Fluter; Eagle; Pat. Nov. 2; 1876; 7-1/2in x 4-3/4in base; 5-1/4in brass rolls; lovely small fluter w/all orig. paint; pin striping & decal. American Machine Co. w/orig. instr. sheet & wood box.
420	Stove Top Sad Iron Heater; No. 9; JS Brooks Patent; John A Goewey; Albany; Jan. 28; 1862; holds 3 irons; flip up covers. 24-3/4in x 10-1/2in by 2-1/2in deep. Bottom is cracked.
421	Stove Top (or Counter top) Sad Iron Heater; Superior Patented. Flips up in back; charcoal or heated slug could be placed inside. 10-1/4in x 7in
422	Classic Sad Iron Heater; round; The Griswold Mfg. Co. Erie; PA; pn 1318
423	Square Sad Iron Heater; Griswold Mfg. Co. Erie; PA; pn 2485
424	Stove Top Sad Iron Heater; pyramid shape; S & T Co. Clev. O; 8-1/2in t.; holds 4 irons; fancy top
425	Stove Top Sad Iron Heater; Noxall; Quincy Foundry & Novelty Co. Quincy; Ill; for Heating & Keeping Irons Clean; round; 9-1/4in dia. 3in deep; 2 slide open lids.
426	Circle Pleating Machinery Corp. Electric Machine Fluter; (Patented Nicholson Fire Co. USA); belt or crank driven; 7-3/4in rolls; fine flutes; w/book. Includes extra set of fine flutes.
427	Sharp's Heater. A. L. M. Co. Troy. Natural Gas Heating Stand; 7in tall. Held one iron w/other was being heated. B81 on base.
428	Stove Top Sad Iron Heater; Centennial Heater; Pat. Al'd Feb. 1876; skillet shaped heater sits in stove hole; lid is mechanical & clamps around iron handle posts. 9-3/4in dia.
429	J.M.B. Davidson & Co. Albany NY Pat'd Oct. 18; 1864; mechanical; pressure from pushing down on iron raises the slotted lid. Holds 3 irons. 22-1/4in l.
430	Stove Top Sad Iron Heater; No. 3; A & W. Mfg. Co.; Chicago; Nov. 2; Pat'd Feb. 13; '83; rectangular w/scalloped edge raised sides. 12in x 8-1/2in; 2-3/4in deep.
431	Stove Top Sad Iron Heater; No. 2; A & W. Mfg. Co.; Chicago; Nov. 2; Pat'd Feb. 13; '83; 8-1/2in square w/scalloped edge raised sides; 2-3/4in deep.
432	Hand Roller Fluter; curved handle
